“IF”...what a powerful word!  
*If I imagine sunlight made me...*  
*If this puddle could talk...*  
*If we listen...*  
*If I could choose a best day...*

This book is just FULL of wondrous IFs for readers to explore! And you know what?

Each one could be a writing or meditation prompt:

***If YOU could choose a best day, what does it look like/sound like/ taste like/feel like? Where are you? With whom? What are you doing?  
What are you NOT doing?***

For me, it would be April or October, there would be woods and water, sunshine, a picnic basket with some really great cheese and chocolate, laughter and stories tucked into the quiet, and all my guys, and no screens of any kind, and maybe a nap. :)
